N. B.—A WORD OF EXPLANATION to those who have known us under the style of Evans & Co. The Business located by us at No. 677 Broadway, New York City, is the oldest established house in the country, and is known world-wide as the original "Evans & Co.'s Gift Bookstore." Many have taken the advantage of our popularity to advertise under the same name to induce their trade; to prevent the few who may be unacquainted with us, we would state that we have no connection with any other Gift Book House—and though many advertise under the name of Evans & Co., the firm constituted by D. W. EVANS & J. H. PRESTON is the first and only concern rightfully using their name; and to protect the confusion in the future, we shall use the style of D. W. EVANS & CO., and all persons wrongfully using the appellation to mislead the public, will be made to suffer the penalty of the law.

Scrofula, or King's Evil is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole system, and may burst into disease on any part of it. No organ is free from its attacks, nor is there one which it does not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, and filthy habits, the depressing vice, and above all, by the venereal infection. It is ever its origin, it is hereditary in its nature, and its effects are permanent. It is the source of many of our most distressing and filthy habits, the depressing vice, and above all, by the venereal infection. It is ever its origin, it is hereditary in its nature, and its effects are permanent. It is the source of many of our most distressing and filthy habits, the depressing vice, and above all, by the venereal infection.

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and in the surface of the skin, eruptions, and in the rupture, which renders in the blood, the energies of life, so that scrofulous constitutions not only suffer from scrofulous eruptions, but they have less power to resist the attacks of other diseases. Frequently, vast numbers perish by disease which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumptions which decimate the human family has its origin directed in this scrofulous contamination; and many destructive diseases of the liver, kidneys, and bladder, and indeed, of all the organs, are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking affection, and their health is undermined by the slow and insidious progress of the disease. Hence it should be employed for their cure not only scrofula, but also those other ailments which arise from it, such as BARRER'S RASH AND SKIN DISEASES, ST. ANTHONY'S FIRE, RHEUMATISM, BRUISES AND BOILS, TUMORS, TERTIARY AND SALT RHEUM, SCALD HEAD, RINGWORMS, RHEUMATISM, SYPHILITIC AND MERCURIAL AFFECTIONS, DROOPING EYES, and other diseases, and indeed, ALL COMPLAINTS ARISING FROM VITIOUS OR IMPURE BLOOD. The popular belief in "impurity of the blood" is founded in truth; for scrofula is a degeneration of the blood, and the only way to restore it to its natural purity is to purify and regenerate this vitiated and diseased blood.

Ayer's Cathartic Pills FOR ALL THE PURPOSES OF A FAMILY PHARMACY are so composed that disease within the system is rarely without a remedy, and their penetrating properties search, and clear, and correct the diseased action, and restore the healthy vitality. As a consequence of their use, the system is purified, and the health and energy restored by a remedy at once simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named, has prepared certificates of their cures and directions for their use in the following complaints: Constipation, Headache, Indigestion, Pains in the Bowels, Nausea, Flatulency, Loss of Appetite, Jaundice, and other kindred disorders, arising from low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral FOR THE RAPID CURE OF Croup, Bronchitis, Incipient Consumption, and for the relief of Coughs in advanced stages of disease. So wide is the field of its usefulness, and so numerous are the cases of its cures, that it is a household remedy, and has been restored from almost every section of the country, and has been used by the most distinguished physicians, and even desperate diseases of the lungs have been cured by its use. When once tried, its superior efficacy is apparent to all. It is a safe and pleasant remedy, and is recommended by the most distinguished physicians, and is a household remedy, and has been restored from almost every section of the country, and has been used by the most distinguished physicians, and even desperate diseases of the lungs have been cured by its use.
